Read the passage below and answer questions 21-25

Passage

Most people like to live in towns. They hate living in the villages because there are no good schools, hospitals and roads. There is no power and water supply. Some people think that farming is hard work. They want to enjoy the vehicles, television and lights.

But town people get their foods from villages. They pay the farmers very small amount of money for their crops. In towns people mostly live in small areas. They throw rubbish everywhere. The toilets spit dirty water in the streets. There are lots of noises. The vehicles pollute the air. People get cholera from the dirt and lung disease from dirty air.

QUESTIONS

21. Town people get their foods from
22. Town people get lung disease from
23. Town people pay the farmers very small.....
24. Some people think that farming is
25. Where do town people throw the rubbish?.....
