--	--------------------------------

LIST A	I	ii	iii	iv	V	Vi	Vii	viii	ix	x
LIST B										

SECTION B: (20 Marks)

Answer ALL questions in this section.

3. Read the following passage and then answer the question that follows:
 One of our responsibilities facing all of us today is how to preserve our environment. Environment is composed of earth's land and vegetation, water and air. In the past, most people never thought about the environment, they just assumed that there would always be unlimited amount of fresh air, clean water and places to dump garbages. Now, however we are beginning to realize that fresh air, clean water and forest are precious. There natural resources also cross national boundaries.

Page 4 of 5

In other words environmental protection is concerned not just of Tanzania but of citizen of every countries in the world in future as population expands more and more people demand for environmental products, hence to earth's environment may be endanger.

Page 3 of 4

Re - using products such as paper and water will probably continue to be seen as practical; solution to environmental problems caused by garbage disposal. We also may

have given up the habit of using certain products we like due to the negative effects of those products of the environment. In this situation environmental education is necessary. One of today's most serious challenges is how to conserve and restore the environment so that human being can survive. This can succeed if we apply scientifically researched technology and practicable laws to answer the questions on environmental preservation.

Questions:

- a) Suggest a suitable title for the passage.
 - b) According to the passage, what is environment?
 - c) According to Author, who is responsible for the environmental preservation?
 - d) Identify the major disaster which can happen due to environmental destruction according to the passage. (Give three points).
 - e) Point out three (3) viable mitigation measures to be applied for environmental preservation.
4. a. With examples, define drug abuse
- b. Briefly explain four (4) causes and four (4) effects of drugs abuse.
